Hi, there! My name is Gene Sissy...!

I thought we were just delightful!!

I thought our comments were sharp, perceptive and provocative, and our dialogue was far superior to the actual movie spoofs themselves!

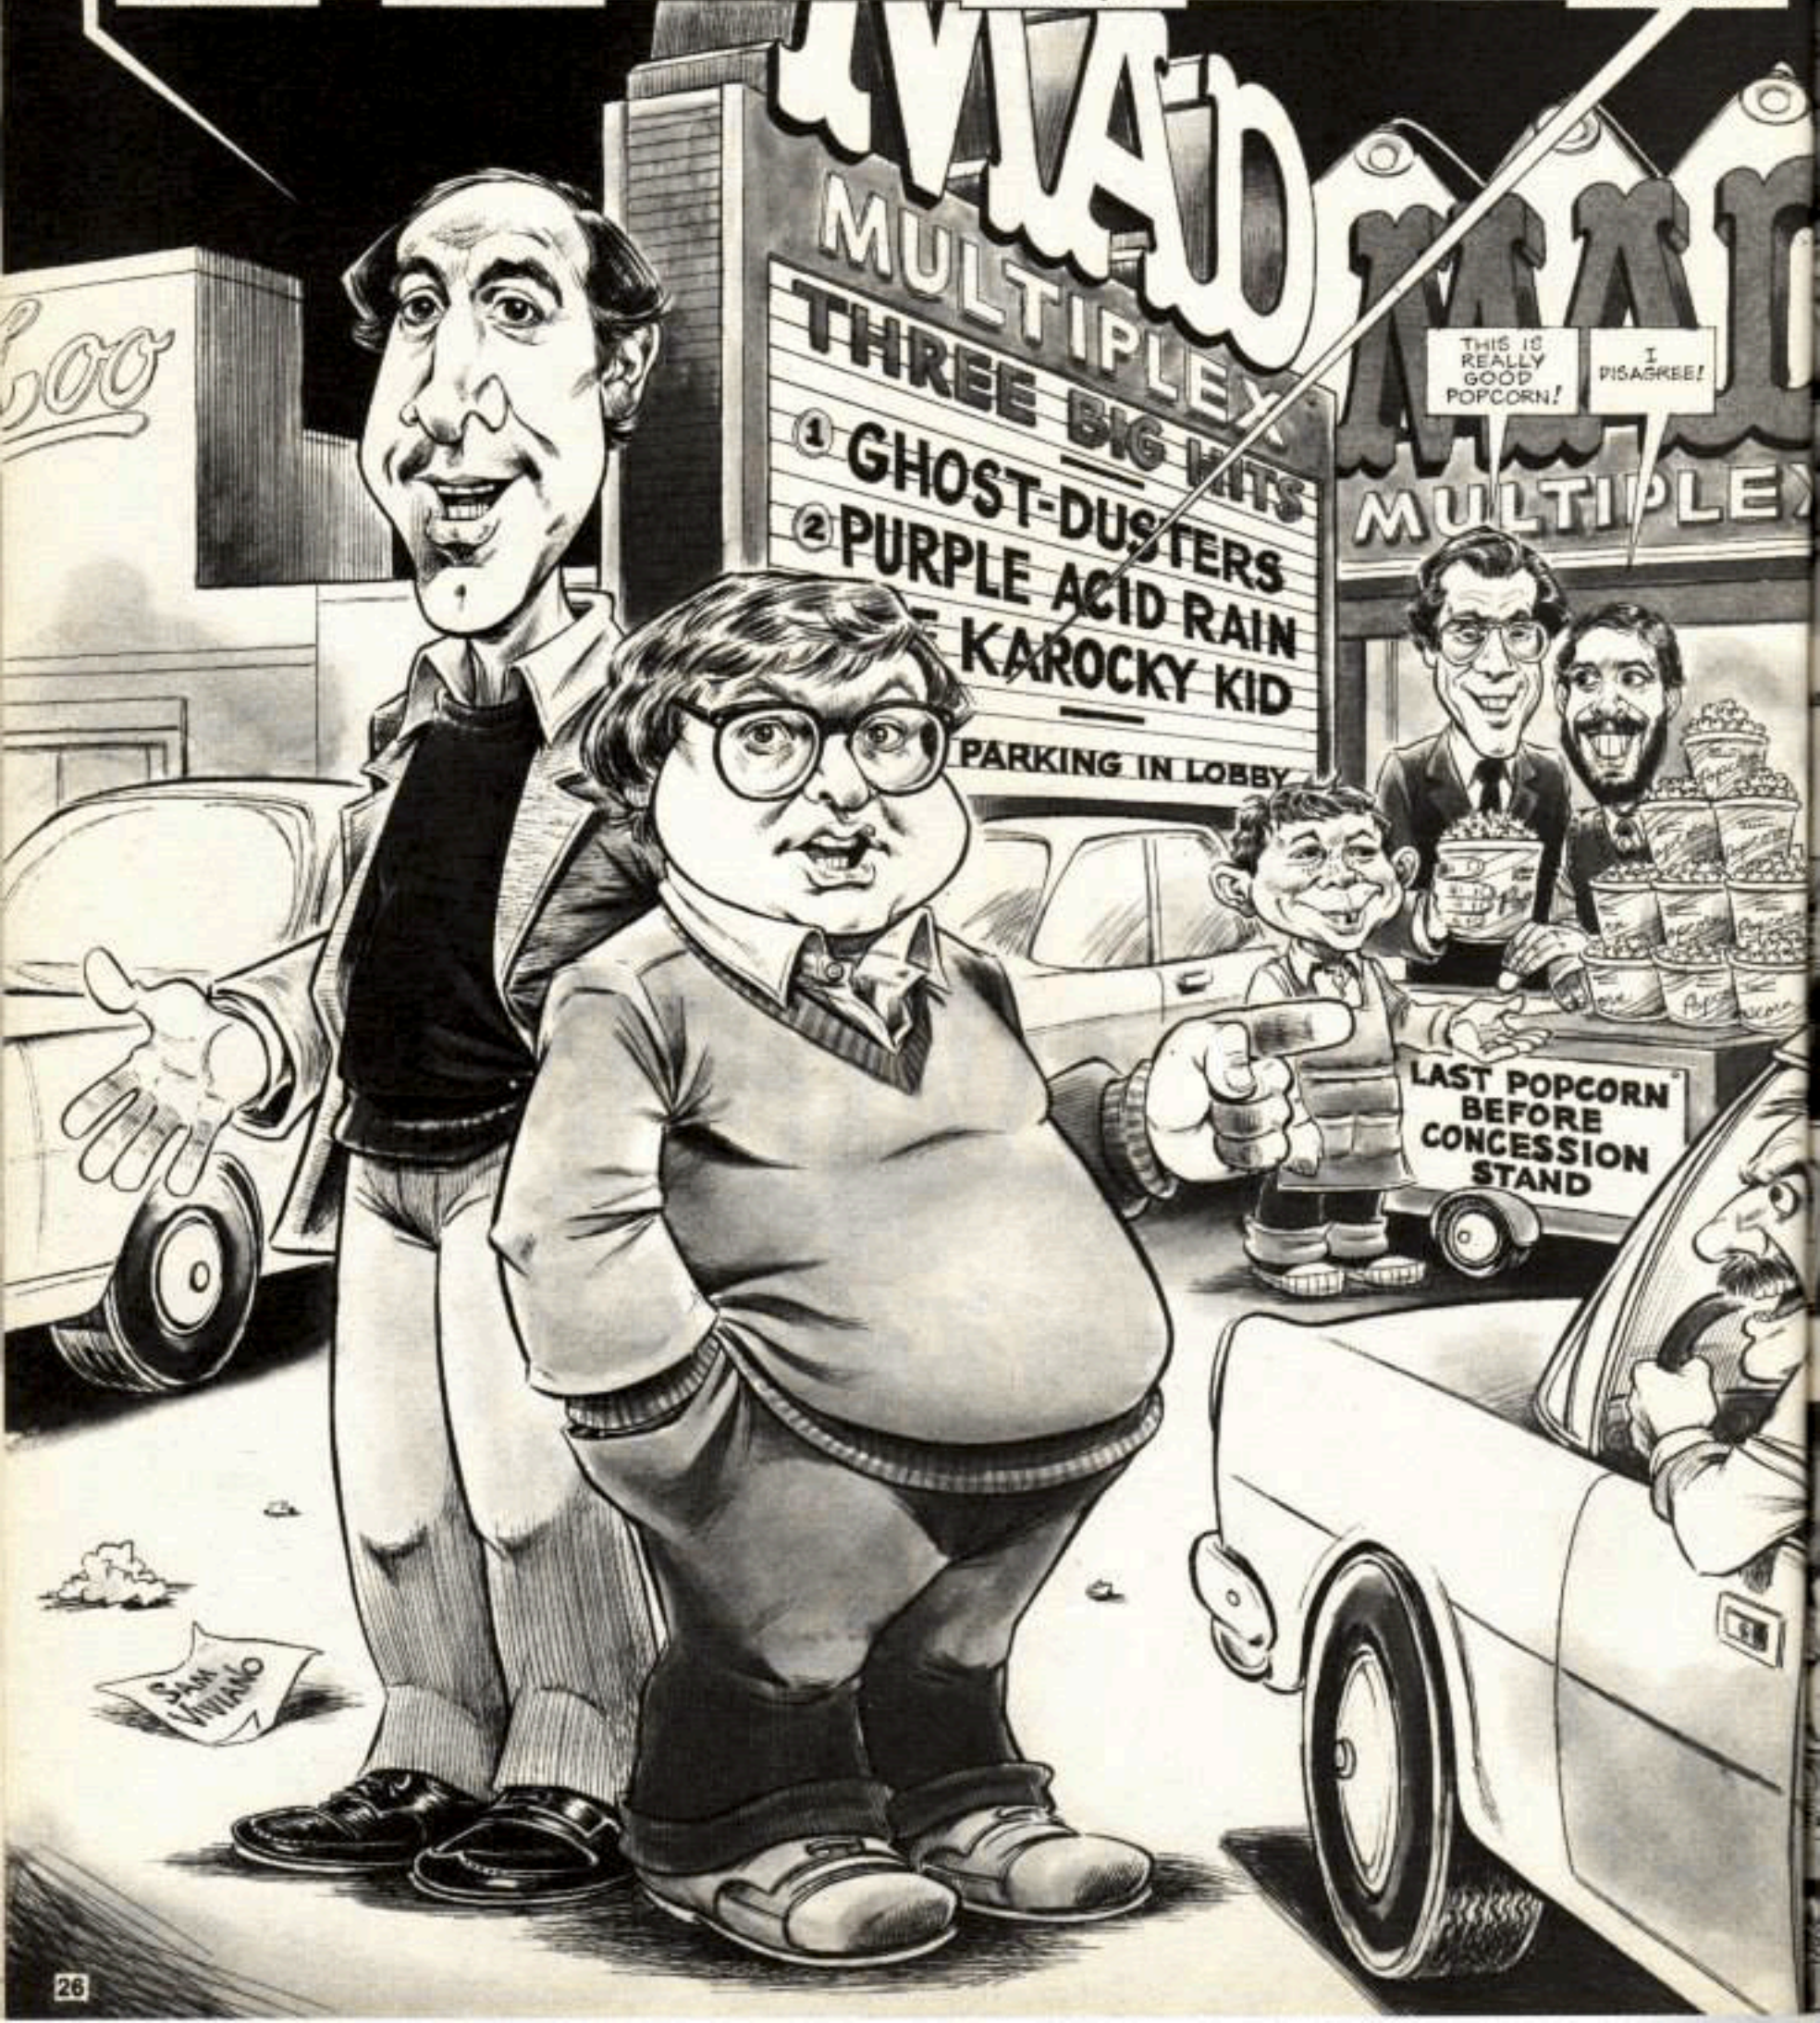

I thought we were witless, tedious, inane and totally lacking in any keen insight... especially in everything YOU had to say...!

I thought you'd be pleased that MAD's artist drew you without filling up the entire page! Anyway, we're back again to review three hot movies of last Summer!

First, let's look at a blockbuster comedy success! This movie was a "satire" of occult films, featuring a trio of investigative scientists! It was called...

And I'm Roger Ebores! We recently appeared in an issue of MAD to review three movies!!

And I disagree!! I thought we were horrible!! I'm surprised they brought us back for this sequel!!

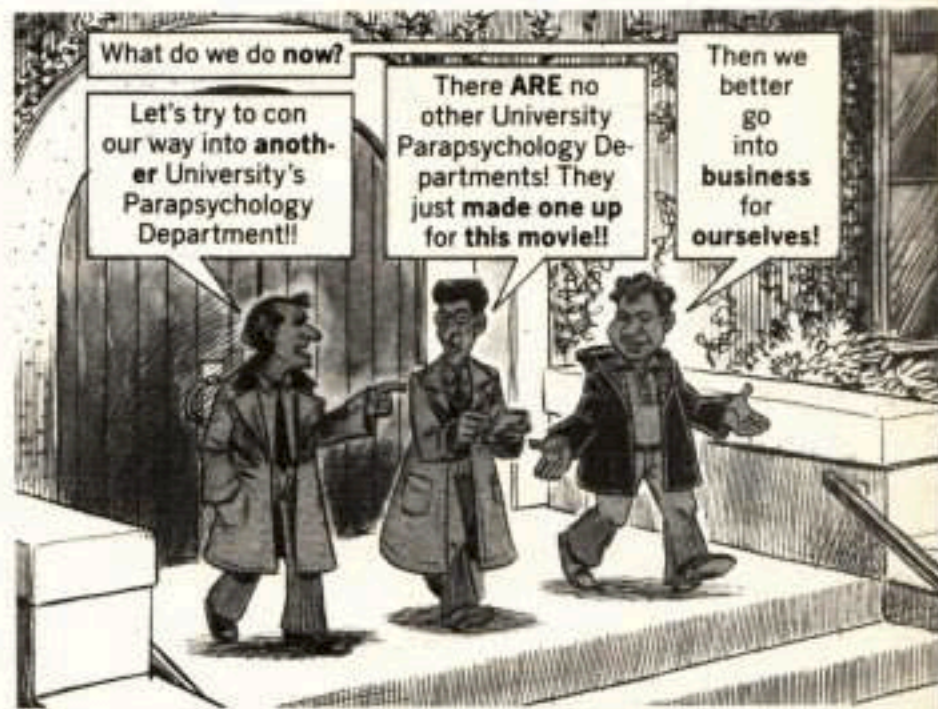

THIS IS REALLY GOOD POPCORN!

I DISAGREE!

# GHOST-DUSTERS

There it goes now...!!

How come...?

HA HA HA HA HA HA

You guys take the corridor, and I'll swing down to the hotel ballroom...!

There may be FUNNIER LINES in the ballroom!

We trapped the creature! That will cost you \$10,000...!

Not really! \$4000 for trapping the beast, \$1000 for getting rid of the hideous thing, and \$6000 for amusing your hotel guests with some pretty decent one-liners...!!

This is New York! We have ways of handling beasts like that!

Isn't that a little high?!?

Your prices are funnier than your one-liners!!

What happens to the creature now?

AHHHGGGH!!

It'll never live to haunt us again!!

MTA NEW YORK CITY SUBWAY

Weird things have been happening! My eggs popped out of their carton... and now, THIS!!... my refrigerator glows with a strange light! Is it...uh...supernatural?

Could be! Or... it could be BAD CHEESE!

You don't look or act like a scientist, Dr. Leerman!!

Really...??

I love my work! Ghost catching is a growth industry! But I have to be honest with you! It's also a great way to meet girls...!

Yeah...! Do you realize I'm the only person to ever SCORE at a SEANCE!?!?

Hmmmm! She's levitating—and babbling incoherently!

This is NOT a GREAT DATE!

Growl! GRRRR!!

On the other hand—she IS defenseless! AND I don't have to spring for dinner!!

This COULD be a great date AFTER ALL...!!

I am the Gate Crasher...!

We are possessed by the demigod, Gonzer! We belong together!!

WHAT...?!

And I am the Key Moocher!!

And together, we can file a joint return!!

In my old life, I was an Accountant!

**BOOM!**

This report says your girl friend and some nerd Accountant are both possessed! And their apartment building has become "Rosemary's Baby Towers"!!

Incredible! This never happened before!  
Are you kidding...? EVERY movie has a spooked high-rise on Central Park West!!

Yeah...but no chick has ever dumped me for an Accountant! We gotta stop this!

Have no fear!! "Ghost-Dusters" are here...!

Careful of the equipment, Babe! That laser might accidentally undress you!

Take a good look, Honeychild! It's a sight you will probably never see or hear again!!

They're spooky—but we're kooky!!

What's that, Daddy?

Scientists—throwing one-liners!

Thanks for saving us! That was really frightening!

If you think THAT was frightening, let's talk about girls who go through life with the name, "Sigourney"...!!

We both loved this film! It had breezy dialogue and some terrific special effects!!

They were scary, too! In fact, Gene's hair would've stood on end...if he had any!

We gave it a 96! Not only was it funny...but because of the hit song, it was one of the few comedies you could dance to...!

Speaking of "hits", our next film's soundtrack became a HIT ALBUM!! The film starred a garish rock singer named "Prance" in a writhing, sizzling, high-powered funky music melodrama—

If you're through showing off your adjectives, let's take a look at...

# Purple Acid Rain

I'm new in town! Who's that magnetic singer up there?

It's The Kidd!  
She's great!

It's a HE!! You ARE new in town!!

Who'd think so many cool, funky musicians would play a club in MINNEAPOLIS!!

Well, don't tell THEM! They're so stoned, they think they're at the FORUM in Los Angeles!

Hi! I'm The Kidd... an electrifying, half-Black, half-Italian, bisexual-looking rock performer who wears 18th Century lace and makes Boy George look like Walter Mondale! I could be a SUPERSTAR!!

Oh, really...? What's holding you back...??  
I need a GIMMICK!!
