*THE OFFICIAL STAMP OF APPROVAL!*

The COMIC MAGAZINE ASSOCIATION OF AMERICA was formed back in 1954. It's goal was to insure the quality of the comics you can purchase on your local newsstand. The quality of editorial content is very carefully observed by the CMAA. (A.K.A. THE COMICS CODE).

NOW COMICS has been approved for its quality and consist editorial commitment.

We at NOW COMICS are very proud to be a member of an association with a thirty year old dedication to comics and their growth.

Will our comics change? No.

They have been approved as they are. So why is this seal of approval important?

Well, beside the obvious fact of keeping with a tradition over three decades old, you already may know

the other reason. Is this the first NOW COMICS you've ever seen? If it is, that means that the retailer you purchased it from was waiting for that seal of approval before carrying this product.

NOW COMICS is going into more outlets then ever before. You will be able to pick up NOW COMICS where you've never seen them before!

And although all NOW COMICS will take you to new heights of adventures and outrageous new limits of humor. Tell everyone that **NOW IS THE TIME!**

And you won't have to drive across town to get it!
